

Accessible Document Access

Accessibility for Ontarians with Disabilities Act (AODA)

Section 17 (1) Every obligated organization that is a producer of educational or training textbooks for educational or training institutions shall upon request, make accessible or conversion ready versions of the textbooks available to the institutions.

Section 18 (1) The libraries of educational and training institutions that are obligated organizations shall provide, procure or acquire by other means an accessible or conversion ready format of print, digital or multimedia resources or materials for a person with a disability, upon request.

Name	Website and Contact Information	How to access	Available Formats
AERO (Alternative Education Resources Ontario)	https://alternativeresources.ca/Aero/AeroLogin.aspx Contact: 1-519-759-2522	Online request	Kurzweil, pdf, audio (download or cd), Daisy, large print, braille (mailed through Canada Post)
<p>Further Information: Teacher must register using firstclass email address. To submit an order you must register the student, search for the document then submit the order. Downloadable documents are ready immediately and documents sent through the mail take 1-2 weeks.</p> <p>If a book is not listed in the AERO library then you may submit a request and AERO will search other libraries or send one regular print copy of the book to AERO and AERO will provide the alternative format such as large print, e-text, audio and Braille transcriptions as requested. Texts provided for large print, Braille and e-text will not be returned. Copies for audio transcriptions are generally returned.</p>
